We must hear from you no later than sixty (60) days after we mail, or otherwise delivered to you, the FIRST statement on which the problem or error appeared.

When calling or writing in to us, we will need to know the following information:

- 1) Your name and account number.

- 3) The dollar amount of the suspected error or transaction in question.

We will investigate your question and will correct any error promptly. If we take more than ten (10) business days to do this, we will re-credit your account for the amount you think is in error, to provide you access to the money during the time it takes us to complete our investigation.
